Medical Providers and Financial Assistance Information

The medical professionals who provide care at VSC HBO, LLC (dba HealthBridge Orange) (the "Facility") are not employees of the Facility. Therefore, the services provided by these medical professionals are **not covered under the Facility's Financial Assistance Policy (FAP). These physicians are independent providers who may bill separately for their services and are typically covered under **their own organization's Financial Assistance Policy**. As such, families seeking financial assistance for both hospital services and physician services may need to **complete separate applications**. **HealthBridge staff are available to assist patients and families in understanding and navigating this process, including helping them access and complete any necessary applications.***
